

Cadoxton Primary Newsletter

"Learning and Growing Together, Being our Best Forever"

News

- Home learning for children has continued to go well this week. If you have any problems getting online to find it, please let us know. We will continue to communicate with you as parents during this time via text message, Twitter and the Cadoxton Primary School Facebook page. Make a friend request if you'd like to join. Over the next two weeks, teacher won't be posting daily home learning, instead there will be projects to last of a period of time. We will keep posting relevant information to twitter and Facebook for families.
- If your child is entitled to a FREE SCHOOL MEAL, you should have received vouchers from the Vale of Glamorgan Council. If you haven't, or there are any problems, please contact:
EFSM@valeofglamorgan.gov.uk
- If you are a KEY WORKER (NHS, police, fire/rescue, ambulance, military staff, teacher, school worker, social service staff, catering/ front line council staff) and there is not a suitable carer at home to look after your child, we now have provision as a hub school. We are very proud to support our parents who are working in these vital roles and it is a privilege to support you and your children. For further information and to book places if it is absolutely essential, please follow this link:

**Happy
Easter!**

And finally...

I hope everyone is managing to stay safe and well at home. Please remember that we are here to support families and we will continue to do our best over the Easter break. If you need to contact us, please do:
